1. Call to Order.

Chair Keefe called the meeting to order at 8:24pm immediately after the Joint Review Meeting.

2. Approval of TMGAC Minutes.

Minutes from September 4, 2025, TMGAC meeting were presented. A motion was made by Jones-Peretto to approve the minutes as presented and was seconded by Keefe. The motion was approved unanimously.

3. Discussion Items

- a. 424 S Greensboro Rd** – The Joint Review discussion about the rental property continued with questions about Carrboro’s short-term rental policy and how many properties are currently allowed as short-term rentals. Eversole-Robinson stated that she would investigate this inquiry. Jones-Peretto questioned the number of cars in and out of the property in relation to overall traffic on the street, but there were no official comments that the Board wanted to send to the applicant.
- b. 1712-1716 Smith Level Rd** – Continuing the discussion from the Joint Review meeting, board members discussed the possibility of adding green infrastructure such as permeable paving, EV charging, adding sidewalks, and lighting, though there were no official comments made to the applicant.
- c. Safe Routes to School** – Eversole-Robinson gave an update to the Board on progress to the SRTS Action Plan Update. She mentioned that the initial public engagement period was over, and that over the next two months, the team would analyze data and prepare draft recommendations.

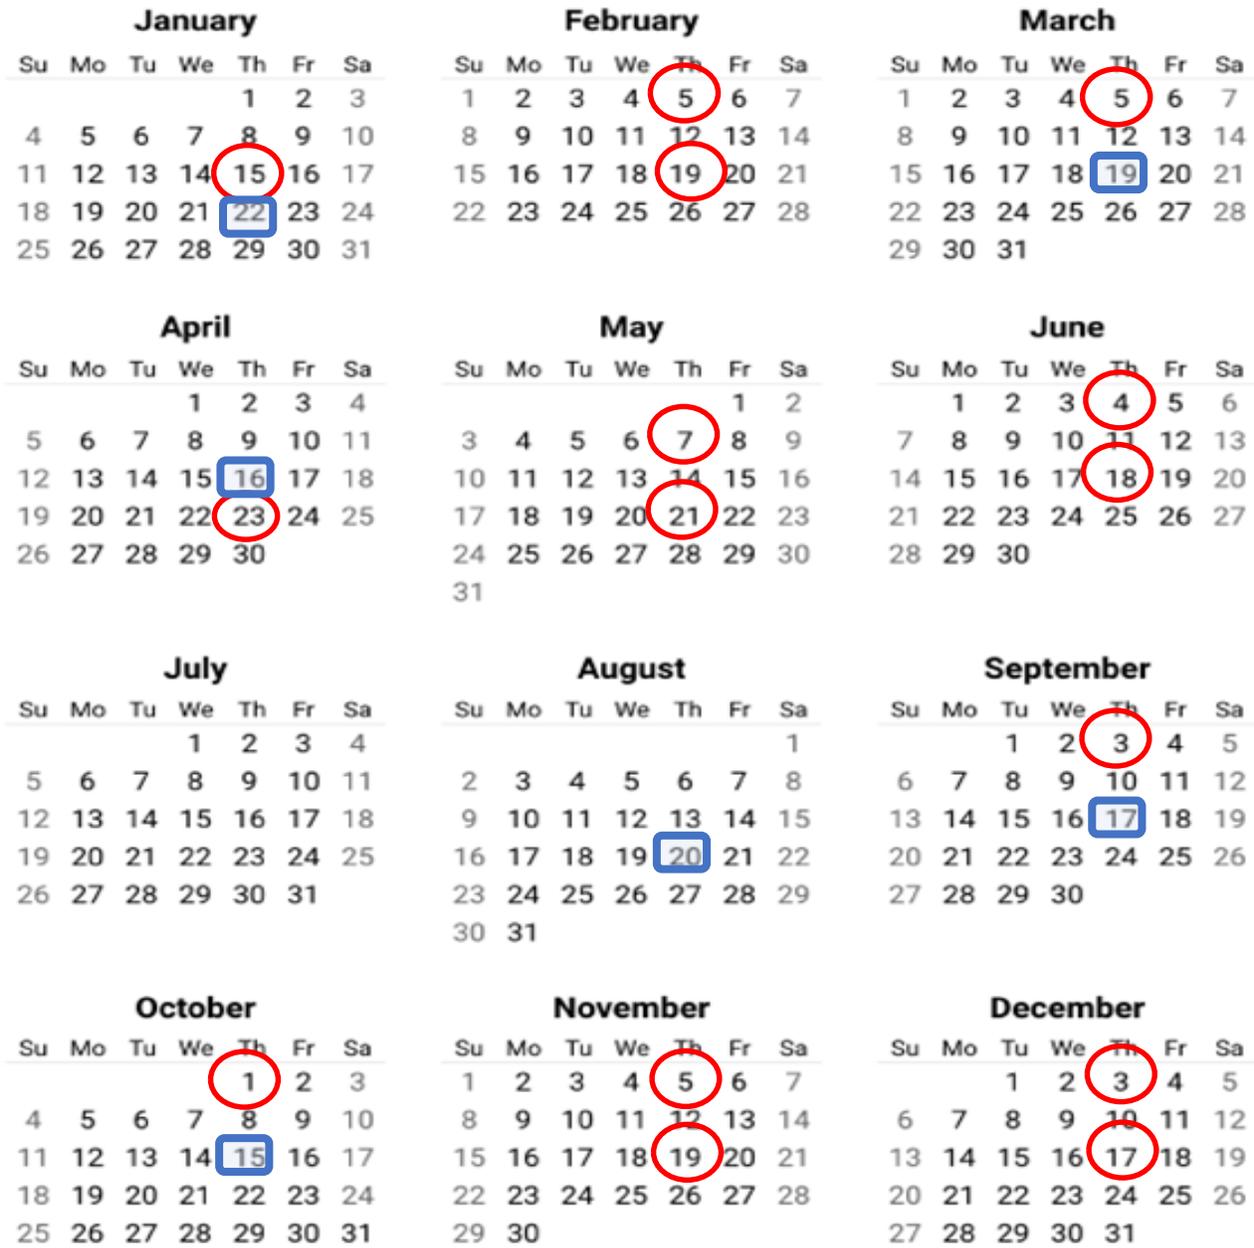

- d. **SRTS Implementation Committee/Meeting Schedule** – There was a discussion on how best to adjust the draft meeting schedule for 2026 for both the TMGAC and the SRTS Implementation Committee. Dates will be moved around to fit the schedule for Joint Review and not interfere with important dates and holidays.
- e. **TMGAC Vacancies/Recommendations** – Eversole-Robinson reminded the Board of town advisory board quorum requirements and as there are multiple vacancies on both the TMGAC and SRTS boards, asked Board members to contact residents/other eligible people that they feel would be a good fit for the boards.

4. Adjournment

Chair Keefe adjourned the meeting at 9:17pm.
