1. Call to Order.

Chair Keefe called the meeting to order at 7:43pm.

2. Approval of TMGAC Minutes.

Minutes from December 14, 2025, TMGAC meeting were presented. A motion was made by Dalton to approve the minutes as presented and was seconded by Keefe. The motion was approved unanimously.

3. Discussion Items

a. Safe Routes to School/Safe Streets for All Update– Baldwin gave a presentation to the TMGAC on progress to the SRTS Action Plan Update. She mentioned that the initial public engagement period was over, and that over the next two months, the team would analyze data and prepare draft recommendations. Board members asked Baldwin questions about plan specifics, particularly about addressing the gap between coverage of Chapel Hill and Carrboro schools, and the potential of conceptual designs and cost estimates for recommended improvements. She mentioned that stakeholders would begin to review the draft plan in February, with the public and Council subsequently receiving updates. Eversole-Robinson shared with the Board that the Town had received over \$600k in federal funding for demonstration projects for SRTS. She went over the specifics of the planned grant projects.

b. Priority Focus for 2026 – Chair Keefe led a discussion of priorities for the Board in 2026. She shared a Google form with Board members to focus the conversation. Board members discussed potential priorities such as a slow zone and lowering speed limits, traffic calming, filling sidewalk gaps, the potential for Safe Streets for All pilot

- projects, additional lighting and call boxes along greenways, paid parking, bike lane improvements/maintenance, and improved transit stops. She asked Board members to further think about priorities for discussion at the next TMGAC meeting and fill out the form for the next conversation.
- c. **Vision Zero Discussion** – Eversole-Robinson led a discussion on the future of Vision Zero for Carrboro that continued the conversation from the priorities discussion. She went over the different elements that are included in a Vision Zero approach, as well as the mandate from Town Council for working towards zero deaths and major injuries. She also went on to explain some of the elements of Vision Zero. Keefe mentioned fleet safety for town vehicles as a Vision Zero approach. Pedestrian safety was mentioned as a focus, and that nearly all of accidents are on state-maintained, high injury corridors, which were identified in the regional Vision Zero action plan. There was an update to the Board on construction of NC 54 pedestrian improvements, which will begin in February 2026.
 - d. **Chair/Vice Chair Election** – The next meeting will include the election of a new Chair and Vice Chair for 2026, and the current office holders are eligible for reelection. The Board was asked to think about who they would like to see in these roles for the new year in preparation for the vote.
 - d. **SRTS Implementation Committee/Meeting Schedule** – There was a discussion on how best to adjust the draft meeting schedule for 2026 for both the TMGAC and the SRTS Implementation Committee. It was decided that the scheduled January 22 SRTS meeting was unnecessary and was cancelled, and that the February 19 TMGAC meeting would be a SRTS meeting.
 - e. **TMGAC Vacancies/Recommendations** – Eversole-Robinson reminded the Board of town advisory board quorum requirements and as there are multiple vacancies on both the TMGAC and SRTS boards, asked Board members to contact eligible people that they feel would be a good fit for the boards.
4. **Adjournment**
 Chair Keefe adjourned the meeting at 8:55pm.
