

NC54

WEST CORRIDOR STUDY

General Schedule

Phase 1 | Fall 2017

Existing Conditions and Market & Economic Assessment

Phase 2 | Early 2018

Round #1 of Community Meetings and Long-Range Forecasts

Phase 3 | Spring 2018

Round #2 of Community Meetings and Draft Report

Phase 4 | Fall 2018

Draft Report – Summer 2018, and Final Report

NC 54 West Corridor Study

This study is an in-depth review of the 20+ mile stretch of NC 54 between Old Fayetteville Road in Carrboro and I-85 in Graham. Representatives from the Town of Carrboro, City of Graham, Alamance and Orange Counties, the Triangle Area Rural and Durham-Chapel Hill-Carrboro Planning Organizations, and NCDOT are collaborating to study the NC 54 roadway and the surrounding communities. This study will:

- Clarify the long-term vision for this corridor
- Examine and consider lower cost near-term improvements for more immediate benefits to existing residents, businesses, and the environment
- Identify long-term transportation investments to preserve and enhance environmental resources and the economic vitality of the corridor and its communities

Corridor Study Status

The study is scheduled for approximately twelve months, with draft project proposals expected in the summer of 2018. The study team has completed traffic counts (including pedestrian, bicycle, motorcycles, buses and truck volumes) at critical intersections along the corridor. Data on speeds, variations in traffic by time of day, and vehicle crashes are being analyzed. Initial findings and a review of the existing conditions will be available at the first round of community meetings, see schedule on reverse.

“ Have you experienced long traffic backups or had trouble turning in and out of businesses on NC 54? ”

Then Your Input is Needed!

A study collectively funded by the City of Graham, NCDOT Division 7, and the Durham-Chapel Hill-Carrboro Metropolitan Planning Organization is currently underway to examine improvements to the NC 54 Corridor, and your feedback is essential. You are invited to participate in the first round of community meetings, where you will have the opportunity to:

- Speak with project team representatives
- Learn more about the project and progress to date
- Provide your input on the project

Community Meetings Round #1

Mid Corridor

Tuesday, January 23, 2018

4:30–6:30PM

Rigmor House Event Center
5501 NC Hwy 54, Chapel Hill, NC

West Corridor

Wednesday, January 24, 2018

6:30–8:30PM

Graham Civic Center
503 McGee Street, Graham, NC

East Corridor

Thursday, January 25, 2018

6:30–8:30PM

Carrboro Town Hall
301 W. Main Street, Carrboro, NC

Other Ways to Get Involved

Residents, commuters, and other users of NC 54 corridor are encouraged to contribute to the study team's understanding of the corridor. Visit www.NC54West.com and share your thoughts on assets, issues, opportunities, and quick fixes by locating these points on the interactive map.
