

# Pine Cone Baby Chick

## Materials Needed:

Pine cone  
Yellow paint  
Pillow filler  
Glue  
Yellow and orange paper  
Blue paper or google eyes

## Instructions:

1. Paint the pine cone yellow and let dry.
2. Then cut out yellow feet a little larger than the bottom of the pine cone, glue to bottom of pine cone.
3. Then insert little pinches of the fiber filler in the openings of the pine cone. Be sure to leave some places open to see the yellow parts of the pine cone.
4. Cut out a small orange triangle, bend it and glue it to the chick to form the beak.
5. Then you can cut eyes out of paper or you can use wiggly eyes and glue to chick.
