

# Pine Cone Squirrel

## Materials Needed:

Pine Cone  
1 Inch Tan Pom-Pom  
Tan Bumpy Chenile Stem  
Tan Pipe Cleaner  
Wiggle Eyes  
5mm Black Pom-Pom  
Glue

## Instructions:

1. Glue the tan pom-pom on the pointy end of the pine cone to be the squirrel's head.
2. Glued on wiggle eyes and the tiny black pom-pom .
3. You can add ears with a scrap piece of felt, a small length of pipe cleaner, tiny pom-poms, even paper.
4. For the tail, cut off 2 bumps from the chenile stem.
5. Fold them in half and twisted the ends together.
6. Glue the ends to the back of the pine cone, and bend the top of the tail down a bit.
7. Make hands and feet simply by cutting pieces of a tan pipe cleaner.
8. For a finishing touch, you can have the squirrel hold an acorn.
