I. PURPOSE

It is the purpose of this policy to establish the authority for temporary light duty assignments and procedures for granting temporary light duty to eligible officers and civilian personnel within this agency.

II. POLICY

- A. Temporary light duty assignments, when available, are for officers and other eligible personnel in this agency who, because of injury, illness or disability, are temporarily unable to perform their regular assignments but who are capable of performing alternative duty assignments. Use of temporary light duty can provide employees with an opportunity to remain productive while convalescing, as well as provide a work option for employees who may otherwise risk the health and safety of themselves or others by remaining on duty when physically or mentally unfit for their regular assignment.
- B. It is the policy of this agency that eligible personnel be given a reasonable opportunity to work in temporary light duty assignments where available and consistent with this policy.

III. DEFINITIONS

- A. **Eligible Personnel:** For purposes of this policy, any full-time sworn or civilian member of this law enforcement agency suffering from a medically certified illness, injury or disability requiring treatment by a licensed health-care provider; and who, because of injury, illness or disability, is temporarily unable to perform the regular assignment, but is capable of performing alternative assignments.
- B. **Family and Medical Leave Act (FMLA):** Federal law providing for up to 12 weeks of annual leave for workers—in addition to leave provided by this agency—due to illness, injury or certain other family conditions/situations.

IV. PROCEDURES

A. General Provisions

1. Temporary light duty positions are limited in number and variety. Employees involved in sickness/injury incurred while on duty (worker's compensation claims) shall be considered for temporary light duty. Sickness/Injury incurred while off duty can also be considered for temporary light duty. The Chief of Police, in consultation with the HR Director, shall make the final decision for light duty assignments. Employees are encouraged to purchase supplemental accident insurance to protect themselves from these events.
2. Therefore:
 - a. Personnel injured or otherwise disabled in the line of duty shall be given preference in initial assignment to light duty; and
 - b. Assignments may be changed at any time, upon the approval of the treating physician, if deemed in the best interest of the employee or the agency.
3. This policy in no way affects the privileges of employees under provisions of the Family and Medical Leave Act, Fair Labor Standards Act, Americans with Disabilities Act, or other federal or state law.
4. Assignment to temporary light duty shall not affect an employee's pay classification, pay increases, promotions, retirement benefits or other employee benefits.
5. No specific position within this agency shall be established for use as a temporary light duty assignment, nor shall any existing position be designated or utilized exclusively for personnel on temporary light duty.
6. Light duty assignments are strictly temporary and normally should not exceed 60 days in duration. After 60 days, personnel on temporary light duty who are not capable of returning to their original duty assignment shall:

- a. Present a request for extension of temporary light duty, with supporting documentation, to the chief executive officer or his designee; or,
 - b. Pursue other options as provided by employment provisions of this agency or federal or state law.
7. Officers on temporary light duty are prohibited from engaging in outside employment in which they may reasonably be expected to perform law enforcement functions for which they have been determined physically or mentally unable to perform on behalf of this agency and that form the basis for their temporary light duty assignment.
 8. Depending upon the nature and extent of the disability, an officer on temporary light duty may be prohibited or restricted from wearing the departmental uniform, carrying the service weapon, or otherwise limited in employing police powers as determined by the agency chief executive, so long as such limitation is consistent with the provisions of IV (B) and IV (C) of this policy. Officers are also prohibited from driving departmental vehicles while on light duty.
 9. Light duty assignments shall not be made for disciplinary purposes.
 10. Officers may not refuse temporary light duty assignments that are supported by and consistent with the recommendations of an attending physician or certified health-care provider, although officers may protest such assignments through established agency grievance procedures.
 11. Light duty positions may not be available to all employees requesting or eligible for light duty. Light duty positions are created to meet the needs of the Department and Town. Light duty is not guaranteed.

B. Temporary Light Duty Assignments

1. Temporary light duty assignments may be drawn from a range of technical and administrative areas that include but are not limited to the following:

Such a request must be accompanied by an evaluation of the employee conducted by a competent medical authority expressing the need for temporary light duty or by a request/order for a medical or psychological fitness-for-duty examination.
 - a. Notice shall be provided to the employee of the proposed temporary light duty assignment together with justification for the recommendation.
 - b. The employee may challenge the proposed reassignment using established agency grievance procedures.
 - c. Pending results of a grievance procedure, an employee may be reassigned if, in the opinion of the Chief or designee, failure to reassign may jeopardize the safety of the officer, other employees or the public.
